DEDICATION

MRS. MIRIAM MITCHELL-

In our freshmen year you gave us needed advice that made our following school years successful. We will always remember you.

The Senior Class

MR. ANTHONY STAYER-

For the school year you were with us you gave us valuable information and helped us with our problems. With this thought in mind we wish to thank you very sincerely.

The Senior Class

MRS. JUNE FINCH-

You came to be our sponsor shortly after Mr. Stayer left us and took up where he left off. You gave up your spare time to make our Junior Prom a success and for this we thank you.

The Senior Class

MR. RUSSELL RICHARDS-

Another sponsor came to us soon after Mrs. Finch departed, this time it was you, Mr. Richards. Right away we began to work on our Junior Play and with your help it was a big success. The following fall came our Senior Play and here again you were right there giving us helpful suggestions. You have given us the knowledge of how to carry responsbilities that make adults and we are greatly indebted to you for this. Thank you for your cooperation and understanding.

CLASS HISTORY

In September of 1954 thirty-seven happy freshmen started their high school days. It was only a few days before the loyal sophomores showed us that we were really high school students when they initiated us.

During the year, with Mrs Mitchell as class sponsor, we started working for our senior trip by selling concessions at the baseball games. By the last of May we had lost seven members from the class.

In August of 1955 we came to school as sophomores. We had three new students.

School went flying by with the sophomores, sponsored by Mr. Stayer, having concessions for basketball games. Also sponsored by the sophomores was the Shamrock Shoffle in March. By the end of the year we had lost 13 more classmates.

Starting the junior year in August of 1956 our class membership included only 19 students.

During the year we put on the J-Hop in November and Jr. Play in April. Three different sponsors helped us throughout the year. They were Mr. Stayer, Mrs. Finch, and Mr. Richards.

At the end of the year we again lost two students, leaving us with 17.

Our busy senior year began in August of 1957. Under the sponsorship of Mr. Richards, we worked hard on the senior prom. the Thunderbolt Yearbook, the Senior Play, bake sales, and a rummage sale. Now at last the time for graduation is here and our class history has reached an end. But we hope there will be other times for us to work together as we have the past four years.
